RATHER than suppressing a boy's spirited physicality, aggression, or his sensitive reluctance, learn constructive ways to respond to his varied needs so he can express himself in safe and respectful ways.

LEARN how to listen beyond a boy's frustration or anger to connect with him and understand his deeper needs.

LEARN how to advocate for your son at school to ensure that he receives optimal support and guidance.

Take advantage of earlybird rate!

BARRY MACDONALD is a skilled educator, author, and Registered Clinical Counsellor, who will expertly lead you through the corridors of boyhood. His highly practical and positive approach will inspire you to mentor your son to be successful at school, and become a man of courage and compassion.

AGENDA

AUTHENTIC CONFIDENCE
& SELF-ESTEEM COMES
FROM THE LIVED EXPERI-
ENCE OF FEELING CAPABLE,
CONNECTED TO OTHERS,
AND KNOWING THAT YOU
HAVE SOMETHING TO OFFER.

WHEN boys get stuck in their scholastic or emotional development and compensate with a show of hyper-masculinity they need parents and significant adults to mentor them on the road to a healthy and socially constructive manhood.

Depending on the needs of the group we will explore the following topics:

- Understand how boys' varied needs require differing positive responses.
- Reframe adult attitudes to cultivate resiliency in boys.
- Learn how to respond to emotional melt-downs so boys will talk and listen.
- Learn how to communicate with a boy who is withdrawn, angry, or distant.
- Learn how to discipline constructively and say what you mean and mean what you say.
- Learn how to encourage healthy independence so confidence will flourish.
- What is the trouble with traditional learning for boys in the electronic age?
- Learn how to help boys navigate video games, facebook, and other technology.
- Learn how to foster peace with siblings to nurture empathy and compassion.
- Learn how to teach your son to manage stress and to regulate his emotions.
- Learn how to respond to poor grades, excessive homework, and motivation problems.
- Learn how to support a boy's internal motivation and advocate for him at school.
- Learn how to help your son develop a sense of community, respect for others, healthy skepticism, and appreciation for diversity.

- The workshop format is interactive, with a combination of short presentations followed by 'how to apply' questions and discussion. While the agenda of topics addressed is similar for each workshop, each workshop varies depending on participant interest.
- Please note that this workshop is educational in nature and is not designed to replace individual or family counselling.

Mentor your son to become a man of courage and compassion.
