

# POSITIVE PARENTING

EFFECTIVE STRATEGIES FOR TODAY'S PARENT

**L**earn practical skills to help your children survive and thrive in our changing world. Gain knowledge to help them develop self-discipline, responsibility, cooperation, problem-solving skills as well as the confidence and life skills they need to be happy, contributing members of families, classrooms and society.

- **How can I more confidently respond to challenging behaviour?**
- **How can I get my kids to stop fighting and cooperate more?**
- **How can I discipline without yelling & foster an encouraging family environment?**
- **How can I discuss tough subjects like sex, drugs & alcohol?**
- **How can I raise my kids to be courageous, caring and ethical?**

Whatever your child's age you will garner powerful ideas to guide your children for success in life!

**Barry MacDonald** is a speaker renowned for his exceptional ability to make sense of kids behaviour and inspire caregivers with effective and practical strategies. Drawing on his experience as an educator, family counsellor, university instructor, author, founder of MentoringBoys.com and parent, he possesses a deep understanding for how to raise confident, capable and caring children. He works with his wife, Therese MacDonald, at their South Surrey offices, where they provide outstanding counselling & parenting support - and can be reached through [www.MentoringBoys.com](http://www.MentoringBoys.com)
