BOY SMARTS

EFFECTIVE STRATEGIES FOR PARENTING BOYS

Let's get beyond the headlines and the hype. This insightful presentation will address what it takes for parents, caregivers & professionals to mentor boys to become successful at school and in life - to guide them to become caring, courageous and ethical men.

- What are the varied needs of boys & why avoid the *boys will be boys* trap?
- How can we help boys navigate cultural realities like video games, YouTube & Facebook?
- How can I talk with my boy so he'll listen and listen so he'll talk?
- How can we influence our boys to become courageous, caring and ethical men?
